

REMARKS

Applicants submit the above Rule 1.312 amendment. The amendment seeks only to grammatically correct the final phrase of each of claim 19 and claim 31 by replacing a semicolon with a comma. No attempt to change the scope of any of the claims is set forth by this amendment. Applicants respectfully request that the above amendments be entered.

CONCLUSION

In view of the foregoing, it is believed that all claims now pending patentably define the subject invention over the prior art of record and are in condition for allowance and such action is earnestly solicited at the earliest possible date.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, LLP
